ELEVEN LITTLE FRIENDS OF ADMIRAL DEWEY AND THE LOVING CUP WHO COLLECTED MANY DIMES.

IMES are coming in faster every day. The Loving Cup Fund has passed the half way mark, reaching twenty-five thousand last week, and this week climbing two thousand last week climbing tw and employes of the city government are aiding nobly in the good work, as the subscriptions acknowledged to day show.

These young Dewey patriots line up in battle array; their only weapons are bright silver dimes, and the battle they are fighting is for the Loving Cup. Endaila Glenn White appears from Washington, D. C., and smiles upon her companions like one of Raphael's cherubs. She writes: "I am only four years old, but old enough to love Dewey and contribute a dime for his cup." Ida 8. L. Mack is a little New York girl, only seven years old, who collected eleven dimes from her relatives and friends and sent them to the Loving Cup Fund with a picture of her sweet

Lillie Gill sars: "There's plenty of time, so here's a dime for Dewey." Sie stands with her dollie hugged very close, though she might give her up for Dewey. Walter and Tom Tighe are two little citizens of New York, who made a collection of ten dimes for the Loving Cup and sent with it the lines: "Tis with slucere and patriotic affection we brothers submit this collection." Edmond Harry Ask'n, a young Dewey soldier, sends a dime with his picture for the Dewey Fund.

Bernice and Lena Cramer are two patriotic little girls, who write that "Our brother was at the front during the war and we want our dimes to be added to the Loving Cup." Imozene Porter is writing her name on the blackboard so that Admiral Dewey will remember it as he will her pretty face and bright dime. Dewey Sampson Gottlief, a very young namesake of the Admirals, brings a bright smile and a dime for the cup. Edwin Lincoln Deavas and Irwin H. Ashner look like two brave young soldiers all ready to fight for Dewey, and meanwhile they add their dimes to the Loving Cup.

Send a Dime to the Loving Cup Fund-It Will Count as a Vote to Prove the Supremacy of Your Family.

The voting contest between the Smiths, Joneses and Browns as to which is the largest and greatest family was started by the letter of Dr. S. B. Smith, of Lawrence, Mass., enclosing a dime for the Dewey Loving Cup, in which he referred to the Smith family as the greatest on earth. Mr. William S. Jones, of Brooklyn, promptly took exception to Dr. Smith's claim of supremacy for the Smiths and championed the cause of the Joneses. These personal remarks of the Smith and Jones representatives fired the family pride of Colonel George H. Brown, of New York City, who came boldly to the front to defend the laurels of
